Dominic Glenn is a high school senior living in the Decatur area. He wants to go to college and pursue a degree.

Dominic spends his time helping other people with their needs. He is involved in church activities and helps his parents take care of their

home.

Dominic learned about volunteering from his mom and dad. His parents have dedicated their lives to supporting their church and other community involvements.

Dominic is not only a well rounded student, he also has a

“Black Belt” degree in karate.

This quarter we at the “Mission” want to thank him for his service and want to do all we can for him and all our youth at achieving success in their future studies.

5 yrs. of service!!

Volunteer on the right.

December 2017

On November 11, 2017 Mission of Hope Alliance journeyed to downtown Atlanta with clothing for the needy. We secured loads of clothing, shoes, etc. into vehicles to give away cheerfully to those in need.

Inside the St. Francis church of Atlanta, GA, tables were covered in breads, pastries, and other foods. Outside, tables were set up and covered with clothes as well as **hygiene packages**.

Members of Mount Moriah Baptist Church, in Tucker, GA, donated clothes to Mission of Hope to clothe those in need. We used this opportunity to **connect** and provide relief to those poor, homeless, and hungry in the community. Seeing them choose clothes to wear and thanking us for what they received were true blessings. We bless others because of the resources God has provided **through you** for us. Disadvantaged people from

the community seek St. Francis for food and assistance. Mission of Hope volunteers were outside with clothing, books, shoes, and **prayer**.
